<p style="text-align: right;">Page 5</p> <p>1 (Time noted: 9:28 a.m.)</p> <p>2 CERTIFIED STENOGRAPHER: My name is Amy Doman,</p> <p>3 a certified stenographer in association with</p> <p>4 Stewart Richardson & Associates, located in</p> <p>5 Indianapolis, Indiana. Today's date is</p> <p>6 May 25, 2023. The time is 9:28 a.m. This</p> <p>7 deposition is being held remotely. The deponent is</p> <p>8 Maria Rivera.</p> <p>9 Will counsel please identify themselves and</p> <p>10 any person present with you for the record.</p> <p>11 MR. FALK: This is Ken Falk, attorney for the</p> <p>12 plaintiffs. Gavin Rose, attorney for the</p> <p>13 plaintiffs, is also on the line. We may be joined</p> <p>14 by Chase Strangio. And as I told the court</p> <p>15 reporter, Mixhi Marquis, who is the representative</p> <p>16 of Mosaic, which is where we are right now, is also</p> <p>17 in the room.</p> <p>18 MR. BARTA: And you have James Barta for the</p> <p>19 defendants, and our summer law clerk, Brad Davis,</p> <p>20 is joining me in the room.</p> <p>21 (Witness sworn.)</p> <p>22 MR. FALK: The questions get harder. We're a</p> <p>23 little nervous here, James.</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 7</p> <p>1 BY MR. BARTA:</p> <p>2 Q. Ms. Rivera, have you given a deposition before?</p> <p>3 A. No.</p> <p>4 Q. Okay. So we'll just start going over a few</p> <p>5 logistical matters. So the format of this is, I'm</p> <p>6 going to ask some questions to you. You get to</p> <p>7 answer them. And the court reporter here is going</p> <p>8 to take down everything we say.</p> <p>9 Understood?</p> <p>10 A. Yes, I understand.</p> <p>11 Q. Okay. So as the court reporter said, you know,</p> <p>12 your answers are being given under oath. So you'll</p> <p>13 need to answer your questions truthfully and to the</p> <p>14 best of your ability.</p> <p>15 If you don't remember something, that's fine.</p> <p>16 I just ask that you try to be as truthful and</p> <p>17 accurate as you can. Okay?</p> <p>18 A. Okay.</p> <p>19 Q. And you're doing right now. Verbal answers are</p> <p>20 great. Gestures, nodding of the head, shaking of</p> <p>21 the head don't show up well on screen, so please</p> <p>22 answer verbally. Okay?</p> <p>23 A. Okay.</p> <p>24 Q. And if at any point I ask a question and you don't</p> <p>25 understand, can you ask for clarification?</p>
<p style="text-align: right;">Page 6</p> <p>1 MR. BARTA: All right. Well, we'll do our</p> <p>2 best.</p> <p>3 MARIA RIVERA,</p> <p>4 called as a witness by the Defendants, having</p> <p>5 been first duly sworn, was examined and testified</p> <p>6 as follows:</p> <p>7 EXAMINATION</p> <p>8 BY MR. BARTA:</p> <p>9 Q. Good morning, Ms. Rivera. I'm going to be asking</p> <p>10 you some questions today, and, hopefully, we'll try</p> <p>11 to keep this as easy as possible for you.</p> <p>12 A. Okay. Thank you.</p> <p>13 MR. BARTA: Ken, before we get started,</p> <p>14 logistically, is there a way to maybe move the</p> <p>15 microphone a little closer to Ms. Rivera? I'm</p> <p>16 having a little trouble hearing.</p> <p>17 MR. FALK: Okay. But I'm warning you, you may</p> <p>18 not get to see all of me. Okay?</p> <p>19 MR. BARTA: Okay.</p> <p>20 MR. FALK: Just keep my image in mind, and</p> <p>21 then you can continue. Okay?</p> <p>22 THE WITNESS: Don't forget him.</p> <p>23 MR. FALK: Is that better?</p> <p>24 MR. BARTA: That's better. Thank you.</p> <p>25</p>	<p style="text-align: right;">Page 8</p> <p>1 A. Yes. I will ask for clarification.</p> <p>2 Q. Okay. So I don't expect this deposition to take</p> <p>3 too long, but if at any point you need a break,</p> <p>4 just let me know. Okay?</p> <p>5 A. Okay. I will.</p> <p>6 Q. Thank you. And is there any reason that you cannot</p> <p>7 understand my questions today?</p> <p>8 A. No. I don't have a reason.</p> <p>9 Q. Is there any reason you can't answer the questions</p> <p>10 truthfully and accurately?</p> <p>11 A. No. I don't have a reason.</p> <p>12 Q. Okay. And one more logistical thing is, you know,</p> <p>13 the parties have taken steps to protect the</p> <p>14 confidentiality of your child, so I will try to use</p> <p>15 the initials M.R. when referring to your child to</p> <p>16 help the process.</p> <p>17 Is that okay with you?</p> <p>18 A. That's okay with me.</p> <p>19 Q. And if either of us uses the first name or says</p> <p>20 something that might identify him, the lawyers will</p> <p>21 clean that up later. So you don't have to worry</p> <p>22 about that. Okay?</p> <p>23 A. Okay.</p> <p>24 Q. Okay, great.</p> <p>25 So other than meeting with your attorneys, did</p>

<p style="text-align: right;">Page 9</p> <p>1 you do anything to prepare for today's deposition?</p> <p>2 A. No.</p> <p>3 Q. And other than Ken Falk and Mixhi Marquis, is there</p> <p>4 anyone else in the room with you?</p> <p>5 A. No, just them two.</p> <p>6 Q. And do you have any notes in front of you?</p> <p>7 A. No.</p> <p>8 Q. I would like to introduce as Exhibit 1, the</p> <p>9 complaint.</p> <p>10 (Exhibit 1 marked for identification.)</p> <p>11 Q. All right. So do you recognize this document,</p> <p>12 Ms. Rivera?</p> <p>13 A. Yes, I do.</p> <p>14 Q. And this is a copy of the complaint that was filed</p> <p>15 in this case?</p> <p>16 A. Yes.</p> <p>17 Q. And in this lawsuit, you brought claims challenging</p> <p>18 the Indiana law referred to as Senate Enrolled Act</p> <p>19 480; is that right?</p> <p>20 A. That is correct.</p> <p>21 Q. When did you first hear about the law?</p> <p>22 A. It was here at work.</p> <p>23 Q. Where do you work?</p> <p>24 A. I work here at Mosaic Health & Healing Arts.</p> <p>25 Q. How long have you worked there?</p>	<p style="text-align: right;">Page 11</p> <p>1 A. As soon as I heard about it, I just felt that I</p> <p>2 needed to speak up.</p> <p>3 Q. And I understand M.R.'s father is not participating</p> <p>4 in the lawsuit; is that right?</p> <p>5 A. I don't -- I mean, we had agreed that it would be</p> <p>6 proper for me to just be doing it. But he's in</p> <p>7 complete agreement of me being involved in this.</p> <p>8 Q. Okay. Why is he not participating?</p> <p>9 A. He doesn't like to be in front of cameras and</p> <p>10 talking to other people.</p> <p>11 MR. BARTA: Shawn, you can take the exhibit</p> <p>12 down, thank you. I would like to introduce as</p> <p>13 Exhibit 2, the declaration of Maria Rivera.</p> <p>14 (Exhibit 2 marked for identification.)</p> <p>15 BY MR. BARTA:</p> <p>16 Q. Ms. Rivera, do you recognize this document?</p> <p>17 A. Yes, I do.</p> <p>18 Q. Is this your declaration?</p> <p>19 A. Yes.</p> <p>20 Q. And that's your signature at the bottom?</p> <p>21 A. Yes.</p> <p>22 Q. Is there anything in this declaration that's no</p> <p>23 longer accurate?</p> <p>24 A. Everything is accurate.</p> <p>25 Q. Thanks.</p>
<p style="text-align: right;">Page 10</p> <p>1 A. Six months.</p> <p>2 Q. And what's your role?</p> <p>3 A. I'm a medical assistant.</p> <p>4 Q. Okay. What does that mean?</p> <p>5 A. A medical assistant is vitals, like, blood</p> <p>6 pressure, oxygen, pulse intake.</p> <p>7 Q. So who did you hear about the law from?</p> <p>8 A. What do you mean by "the law"?</p> <p>9 Q. So you said you heard about the law at work?</p> <p>10 A. Yes. So I don't exactly remember how everything</p> <p>11 happened. I do remember hearing about the law.</p> <p>12 And then I was just -- I didn't feel okay about it</p> <p>13 because it was going to affect my child. And then</p> <p>14 that was it. I was just, like, it doesn't feel</p> <p>15 right to me.</p> <p>16 Q. Did you participate in any of the process leading</p> <p>17 up to the law's enactment?</p> <p>18 A. I don't understand that question.</p> <p>19 Q. Let me rephrase it.</p> <p>20 Did you work with any legislators leading up</p> <p>21 to the law's enactment?</p> <p>22 A. No.</p> <p>23 Q. And did you write letters or call any legislators?</p> <p>24 A. No.</p> <p>25 Q. And when did you decide to bring this lawsuit?</p>	<p style="text-align: right;">Page 12</p> <p>1 MR. BARTA: You can take the exhibit down,</p> <p>2 Shawn.</p> <p>3 BY MR. BARTA:</p> <p>4 Q. So I do want to just start with some more general</p> <p>5 background questions to better understand.</p> <p>6 So how old are you?</p> <p>7 A. 33.</p> <p>8 Q. Where do you live?</p> <p>9 MR. FALK: Let me just step in. Don't give</p> <p>10 your home address, just the city.</p> <p>11 BY MR. BARTA:</p> <p>12 Q. What city do you live in?</p> <p>13 A. I was going to say Elkhart County.</p> <p>14 Q. How long have you lived in Elkhart County?</p> <p>15 A. I moved here summer of 2007.</p> <p>16 Q. Okay. So I think you mentioned earlier you're a</p> <p>17 medical assistant; is that right?</p> <p>18 A. That is correct.</p> <p>19 Q. Did you go to college?</p> <p>20 A. Yes, I did.</p> <p>21 Q. Where did you go?</p> <p>22 A. I went to Brown Mackie.</p> <p>23 Q. Where is that?</p> <p>24 A. They used to have a location in South Bend.</p> <p>25 Q. And what was your degree in?</p>

<p style="text-align: right;">Page 13</p> <p>1 A. It was a certification. So it was just a medical 2 certificate. 3 Q. When did you start working as a medical assistant? 4 A. I usually get those dates mixed up, like, the year. 5 I think it was in February of 2013. 6 Q. Okay. Do you know how many places you've worked as 7 a medical assistant? 8 A. Including the one where I'm at would be three. 9 Q. What were the previous places? 10 A. The one before this one, I worked for Beacon, and I 11 was there for six years. 12 Q. And before that? 13 A. And then before that, I worked for Windsor 14 WorkCare. 15 Q. Why did you switch from Beacon to Mosaic? 16 A. It was time for a new change, something different. 17 Q. Did you already know about Mosaic before you 18 switched jobs? 19 A. No. 20 Q. How did you find out about Mosaic? 21 A. I just went on Indeed, looked for something in my 22 area, and Mosaic came up. 23 Q. Okay. And you said you've been there about 24 six months? 25 A. Yeah, uh-huh.</p>	<p style="text-align: right;">Page 15</p> <p>1 A. Their assigned gender are female. 2 Q. All of them? 3 A. All of them. 4 Q. How many of your children identify as something 5 other than female? 6 A. They are fairly young, so I don't -- they're still 7 processing. 8 Q. Do any of them -- are any of them unsure about 9 whether they're female? 10 A. It hasn't come up. 11 MR. FALK: Hold on for a second. 12 A. M.R. has came up as -- what is the word I'm looking 13 for? I'm so sorry -- that he doesn't identify as a 14 female. He identifies as male. 15 BY MR. BARTA: 16 Q. Okay. But the other ones, it hasn't come up? 17 A. My other four, no. 18 Q. All right. And your oldest child, M.R., is 15 now; 19 is that right? 20 A. This is correct. 21 Q. Where does M.R. go to school? 22 A. Goshen High School. 23 Q. Okay. Does M.R. like school? 24 A. Yes, yes, he does. 25 Q. Does M.R. do well in school?</p>
<p style="text-align: right;">Page 14</p> <p>1 Q. Do you remember what month you started? 2 A. It would have been in November, yes. 3 Q. Are you a member of any political organizations? 4 A. No. 5 Q. Are you a member of any organizations related to 6 transgender advocates? 7 A. No. 8 Q. What is your gender identity? 9 A. My gender identity? I mean, I feel like a female. 10 Q. Okay. Do you use female pronouns? 11 A. Yes. I use she/her pronouns. 12 Q. Okay. Are you married? 13 A. Yes. 14 Q. For how long have you been married? 15 A. I have been with my spouse for about -- since 2005, 16 so that's 18 years. 17 Q. Wow, congratulations. 18 A. Yeah. 19 Q. And how many children do you have? 20 A. We have five. 21 Q. What is the age range? 22 A. Ages? It will be oldest 15, 14, ten, seven, and 23 three. Sorry. So many of them. 24 Q. I'm sure it's hard to keep track of them at times. 25 And what are the genders of your children?</p>	<p style="text-align: right;">Page 16</p> <p>1 A. Struggling a little bit, but he does his best. 2 Q. What does M.R. like doing outside of school? 3 A. Marching band, anything that has to do with 4 marching band. 5 Q. What instrument? 6 A. The alto, the saxophone. 7 Q. Very cool. 8 Any other activities that M.R. enjoys doing 9 outside of school? 10 A. I mean, whenever it's not marching band season, it 11 will be winter percussion, jazz band, orchestra, 12 and so basically music. 13 Q. How would you describe M.R.? 14 A. Happy, just trying to live life, just trying to 15 enjoy himself. And he just wants to be a happy kid 16 and wants to do his thing and just enjoy life. 17 Q. Would you have ever described M.R. significantly 18 differently at another point in his life? 19 A. No. 20 Q. Throughout M.R.'s life, has M.R. experienced any 21 big changes or stressful situations? 22 A. Yes. When he came out to us, it was pretty 23 stressful for him to open up. 24 Q. Any other big changes or stressful situations? 25 A. Not that I know of.</p>

<p style="text-align: right;">Page 17</p> <p>1 Q. Was there a move at some point?</p> <p>2 A. Like, moving houses?</p> <p>3 Q. Yes.</p> <p>4 Did M.R. have to move houses at some point?</p> <p>5 A. I mean, we have moved a few times, but it was</p> <p>6 nothing stressful because he still kept on -- we</p> <p>7 still stayed in the same area.</p> <p>8 Q. Has M.R. ever lost any close friends or family</p> <p>9 members?</p> <p>10 A. No.</p> <p>11 Q. Was there any trauma in M.R.'s background?</p> <p>12 A. Not that I know of.</p> <p>13 Q. Any abuse?</p> <p>14 A. Any what?</p> <p>15 Q. Any abuse?</p> <p>16 A. No.</p> <p>17 Q. Any emotional abuse?</p> <p>18 A. No.</p> <p>19 Q. Okay. So as far as you're aware, there's been no</p> <p>20 stressful situations in M.R.'s life, other than</p> <p>21 coming out?</p> <p>22 A. Other than coming out, there was a point a little</p> <p>23 bit where him and his father didn't agree with</p> <p>24 things. But it was when he was trying to come out,</p> <p>25 or when he came out, and he just didn't know how to</p>	<p style="text-align: right;">Page 19</p> <p>1 And, then, so once we had decided that M.R.</p> <p>2 identified as a female [sic] and it was okay to</p> <p>3 continue to do the transition, we still make</p> <p>4 mistakes here and there where we will use the</p> <p>5 pronouns she/her or still use the legal name. And</p> <p>6 then that's when we start -- he would just pull</p> <p>7 back because he just felt like we weren't</p> <p>8 understanding. And, then, so by not identifying</p> <p>9 him right is where we were having a rough patch</p> <p>10 there.</p> <p>11 Q. Before that point, how was M.R.'s relationship with</p> <p>12 your husband?</p> <p>13 A. Normal. I mean, just communication of, like, just</p> <p>14 a normal kid and father relationship.</p> <p>15 Q. And how is M.R.'s relationship with you?</p> <p>16 A. With me? I feel like we have a pretty good</p> <p>17 connection.</p> <p>18 Q. Good.</p> <p>19 Has that relationship ever been strained?</p> <p>20 A. No, I don't think so. I have always been</p> <p>21 supportive. If I don't know something, then I'll</p> <p>22 just ask, and then I try to find the research to</p> <p>23 help him out. And, then, so...</p> <p>24 Q. Does M.R. make friends easily?</p> <p>25 A. I want to say yes. I feel like he does have a lot</p>
<p style="text-align: right;">Page 18</p> <p>1 express his feelings and how to talk to us about</p> <p>2 it.</p> <p>3 Q. So when did M.R. come out?</p> <p>4 A. So when he told us that he identified as a male was</p> <p>5 around -- it was Christmas, the 24th of 2021.</p> <p>6 Q. And what was M.R.'s interaction with his father</p> <p>7 like at that point?</p> <p>8 A. I mean, my husband didn't understand, and he was</p> <p>9 just trying to find a way of how to understand him.</p> <p>10 And M.R. didn't understand what my husband couldn't</p> <p>11 understand, if that makes sense.</p> <p>12 And, then, so it was just kind of -- yeah,</p> <p>13 they weren't -- we weren't communicating right.</p> <p>14 And we weren't using the proper words to</p> <p>15 communicate the message that we were trying to</p> <p>16 give.</p> <p>17 Q. What specifically was your husband having trouble</p> <p>18 understanding?</p> <p>19 A. How M.R. didn't identify with his assigned sex.</p> <p>20 Q. And when you say you weren't -- I think you said</p> <p>21 something about not using proper words.</p> <p>22 Can you explain what you mean by that?</p> <p>23 A. Like, we just -- it was just a learning process.</p> <p>24 We didn't know how to communicate, like, the</p> <p>25 pronouns and the name change.</p>	<p style="text-align: right;">Page 20</p> <p>1 of friends.</p> <p>2 Q. Do you feel like M.R. has always made friends</p> <p>3 easily?</p> <p>4 A. Not before the transition. I feel like he would</p> <p>5 struggle with it. But ever since we started the</p> <p>6 social transitioning, I have seen a bigger -- like</p> <p>7 an increase of him being more social, more</p> <p>8 outgoing, and just living life.</p> <p>9 Q. And when did that social transition happen?</p> <p>10 A. The social transition happened about a year before</p> <p>11 December 2021.</p> <p>12 Q. In late 2020? Does that sound right?</p> <p>13 A. Yeah, the beginning of 2021, around there.</p> <p>14 Q. And what does social transition look like for M.R.?</p> <p>15 A. For M.R., the social transition that we did was</p> <p>16 clothing, just a haircut, shorter haircut, and just</p> <p>17 using or wearing male clothes.</p> <p>18 Q. But at that point, M.R. had not told you that he</p> <p>19 identified as a male?</p> <p>20 A. Correct.</p> <p>21 Q. So the pronouns were still female pronouns at that</p> <p>22 point?</p> <p>23 A. Correct, yes.</p> <p>24 Q. Do you know how many friends M.R. has now?</p> <p>25 A. No. I wouldn't be able to keep track because</p>

<p style="text-align: right;">Page 21</p> <p>1 there's so many kids in marching band.</p> <p>2 Q. Do you know if M.R. has any friends who are</p> <p>3 transgender?</p> <p>4 A. That I know of? No.</p> <p>5 Q. Does M.R. use social media?</p> <p>6 A. Yes.</p> <p>7 Q. What applications?</p> <p>8 A. Instagram.</p> <p>9 Q. Any others?</p> <p>10 A. That I know of, no.</p> <p>11 Q. Do you know, to what extent does M.R. use</p> <p>12 Instagram?</p> <p>13 A. So I will just see, like, marching band stuff.</p> <p>14 (Unreportable simultaneous conversation.)</p> <p>15 A. Sorry.</p> <p>16 Q. Can you approximate how many hours a week M.R.</p> <p>17 spends on Instagram?</p> <p>18 A. I won't be able to. No, I don't know.</p> <p>19 Q. Do you supervise M.R.'s social media use?</p> <p>20 A. I don't.</p> <p>21 Q. Does M.R.'s father?</p> <p>22 A. He doesn't. He doesn't have social media.</p> <p>23 Q. What was M.R.'s sex at birth?</p> <p>24 A. You said, "What was M.R.'s sex at birth?"</p> <p>25 Q. Yes.</p>	<p style="text-align: right;">Page 23</p> <p>1 men's clothing, M.R. would ask my husband if it was</p> <p>2 the proper size or length or stuff like that</p> <p>3 because M.R. didn't know what male clothing sizes</p> <p>4 were. So when it came to sizing, yes.</p> <p>5 Q. Did you have a conversation about why M.R. wanted</p> <p>6 to start wearing more masculine clothes?</p> <p>7 A. No. We didn't see anything wrong with it.</p> <p>8 Q. And who made the decision that M.R. would start</p> <p>9 having a more masculine haircut?</p> <p>10 A. It was his decision.</p> <p>11 Q. Did you or your husband have a conversation with</p> <p>12 M.R. about why M.R. wanted a more masculine</p> <p>13 haircut?</p> <p>14 A. No. We asked how he wanted to style it.</p> <p>15 Q. Do you know what prompted M.R. to start styling his</p> <p>16 hair more masculine?</p> <p>17 A. I'm assuming because he was a teenager, and he</p> <p>18 wanted to look good.</p> <p>19 Q. So when did you find out that M.R. might be</p> <p>20 transgender?</p> <p>21 A. I had a feeling when he was young, just by the</p> <p>22 clothing, his clothing. He would just try to</p> <p>23 use -- like, the female clothing look more</p> <p>24 masculine. And, then, so when he came out, it just</p> <p>25 made sense.</p>
<p style="text-align: right;">Page 22</p> <p>1 A. Female.</p> <p>2 Q. You said M.R. identifies as a male now; is that</p> <p>3 right?</p> <p>4 A. Correct.</p> <p>5 Q. So you said that the social transition happened in</p> <p>6 late 2020; is that right?</p> <p>7 A. Yeah.</p> <p>8 Q. Early 2021?</p> <p>9 A. Like, earlyish, yeah.</p> <p>10 Q. How has that social transition evolved over time?</p> <p>11 A. It was just -- I mean, we would just go shopping</p> <p>12 for clothes, and we just kind of kept doing that.</p> <p>13 I mean, we just gave him the option of just doing</p> <p>14 however he wanted to dress. And we have always</p> <p>15 given him that option to wear whatever they want</p> <p>16 and whatever makes them comfortable. So it's just</p> <p>17 kind of -- it's just -- I don't know. It just</p> <p>18 one -- it just happened.</p> <p>19 Q. Who made the decision that M.R. would start wearing</p> <p>20 more masculine clothes?</p> <p>21 A. We had gave him the decision to decide what he</p> <p>22 wanted to wear.</p> <p>23 Q. Did you or your husband offer any input into that</p> <p>24 decision?</p> <p>25 A. Sometimes there was, like, depending on, like, the</p>	<p style="text-align: right;">Page 24</p> <p>1 Q. How young did you suspect that M.R. might be</p> <p>2 transgender?</p> <p>3 A. To be exactly on age, I don't remember, but I know</p> <p>4 he was young.</p> <p>5 Q. Can you give an -- can you ballpark what the age</p> <p>6 might have been?</p> <p>7 A. Maybe, like, five or six. He was young.</p> <p>8 Q. And you said that M.R. came out in December -- on</p> <p>9 Christmas 2021; is that right?</p> <p>10 A. Correct.</p> <p>11 Q. Was that the first time that M.R. expressed being</p> <p>12 transgender?</p> <p>13 A. That was the first time he expressed that his</p> <p>14 assigned birth was not what he felt that he was.</p> <p>15 Q. How did you react?</p> <p>16 A. I stayed a little bit quiet. I processed. I</p> <p>17 thought about it. And I said, okay. It'll be</p> <p>18 fine. It will be okay. We'll figure it out.</p> <p>19 Q. How did M.R.'s father react?</p> <p>20 A. He was a little shocked. His concern was what is</p> <p>21 his family going to say. I mean, yeah, it took him</p> <p>22 a little bit to get out of that shock moment. So</p> <p>23 yeah, it was just -- like, what are people going to</p> <p>24 say was his concern.</p> <p>25 Q. How did M.R.'s friends react?</p>

<p style="text-align: right;">Page 25</p> <p>1 A. So that I know, one of them, she was very 2 supportive. 3 Q. When M.R. came out, did anyone suggest that M.R. 4 might want to seek counseling? 5 A. Yes, I did. 6 Q. What was M.R.'s response? 7 A. He was like, yes, I would like to speak to a 8 therapist, yeah. 9 Q. Did you see a therapist? 10 A. We did. 11 Q. Which therapist? 12 A. I don't know. I don't remember the name of the 13 facility, but it's here in Goshen. His name is 14 Kevin Moore. 15 Q. How long did M.R. see the therapist? 16 A. On and off. To be exact, it was -- at the 17 beginning, I remember it being every two weeks, but 18 I don't remember for how long it was. It could 19 have been maybe two, three months. 20 Q. Did you attend the therapy sessions? 21 A. Did I? I did attend the first therapy session, 22 yes. 23 Q. Did you attend any others? 24 A. No. The therapist didn't think it was necessary. 25 Q. Do you know what went on during the therapy</p>	<p style="text-align: right;">Page 27</p> <p>1 therapist about the question, how can I be sure 2 that I'm male? 3 A. I don't know. 4 Q. What is M.R.'s sexual orientation? 5 A. I don't know. He's 15. 6 Q. Okay. Has M.R. had any romantic relationships? 7 A. I wouldn't call them romantic, but he's had a few 8 relationships, like, a week or two. 9 Q. Do you know approximately how many? 10 A. Maybe, like, five. 11 Q. Were the partners in the relationship male or 12 female? 13 A. They were both sex, yeah. 14 Q. Okay. Have you ever had any conversations with 15 M.R. about sexual orientation? 16 A. We had. And I always say, you're young, you have 17 time to figure it out. 18 Q. Did M.R. have any conversations with your husband 19 about sexual orientation? 20 A. No. 21 Q. When you talked with M.R. about sexual orientation, 22 what did M.R. say? 23 A. He said, okay. He just said, okay. I told him it 24 was okay to make mistakes, and it's okay to figure 25 things out.</p>
<p style="text-align: right;">Page 26</p> <p>1 sessions? 2 A. No, because it was patient confidentiality. 3 Q. Did the therapist -- at the first session, did the 4 therapist tell you anything about his approach? 5 A. "Approach" as in? 6 Q. Did the therapist tell you anything about what the 7 therapy would involve? 8 A. No. The therapist actually, at the first session, 9 asked me what was it that we wanted to address. 10 And, then, so we talked about the -- trying to 11 have -- helping M.R. figure out whatever he had 12 going on with him, whatever was going on in his 13 head. And so Kevin said, okay. We'll do some 14 therapy sessions. And then they just went from 15 there. 16 Q. When you say "whatever was going on in his head," 17 what are you referring to? 18 A. As in, like, trying to figure out whatever -- he 19 had too many emotions. He just had a lot of things 20 going on with himself that he felt like he couldn't 21 figure out because he didn't have the guidance. 22 And I couldn't give him that guidance because I 23 couldn't relate. And so then that's why we decided 24 to go with the therapy. 25 Q. Okay. Do you know if M.R. talked with the</p>	<p style="text-align: right;">Page 28</p> <p>1 Q. When did M.R. first start having relationships with 2 women? 3 A. Sorry. 4 Q. Maybe -- let me reask that. 5 (Unreportable simultaneous conversation.) 6 Q. You mentioned some romantic relationships, you 7 know, five different partners. 8 When did those start? 9 A. So dating -- that I know, dating, it started in 10 eighth grade. 11 Q. When M.R. started dating, was it with males or 12 females? 13 A. It was a female. 14 Q. And what age was M.R. in eighth grade? 15 A. 14, 14, 13. 16 Q. Do you remember what year M.R. started having 17 relationships, dating? 18 A. Dating? It would have been that year that I knew 19 of, yeah. 20 Q. Are you familiar with the term "gender dysphoria"? 21 A. Yes. 22 Q. How? 23 A. It's when you don't identify as your assigned sex. 24 Q. How are you familiar with the term? 25 A. How familiar am I?</p>

<p style="text-align: right;">Page 29</p> <p>1 MR. FALK: How are you?</p> <p>2 BY MR. BARTA:</p> <p>3 Q. How are you?</p> <p>4 MR. FALK: How do you know about it?</p> <p>5 A. How do I know about it? I just did research.</p> <p>6 BY MR. BARTA:</p> <p>7 Q. On the internet?</p> <p>8 A. Yeah.</p> <p>9 Q. Anywhere else?</p> <p>10 A. No.</p> <p>11 Q. Do you believe M.R. suffers from gender dysphoria?</p> <p>12 A. Yes.</p> <p>13 Q. What behavior made you suspect that?</p> <p>14 A. The clothing, the way he walked, the way he talked,</p> <p>15 just the way he carried himself.</p> <p>16 Q. Did you ever think those behaviors could indicate</p> <p>17 something other than gender dysphoria?</p> <p>18 A. No.</p> <p>19 Q. Has M.R. dealt with any mental health issues during</p> <p>20 his life?</p> <p>21 A. Mental health issues? Yes.</p> <p>22 Q. What are those?</p> <p>23 A. Just trying to figure out how he feels.</p> <p>24 Q. What about anxiety?</p> <p>25 A. He has anxiety, panic attacks. And, then, so...</p>	<p style="text-align: right;">Page 31</p> <p>1 Q. What else was going on in M.R.'s life in</p> <p>2 February of 2023?</p> <p>3 A. He was just trying to figure out his identity.</p> <p>4 Q. Do you know why M.R. started cutting?</p> <p>5 A. Because he didn't feel like himself and didn't</p> <p>6 know how to cope with that feeling or how to speak</p> <p>7 up about that feeling.</p> <p>8 Q. Have you sought any treatment or counseling for the</p> <p>9 anxiety?</p> <p>10 A. Yes.</p> <p>11 Q. Who have you seen for the anxiety?</p> <p>12 A. Primary physician.</p> <p>13 Q. And who is the primary care physician?</p> <p>14 A. Dr. Bast.</p> <p>15 Q. And when did you first see Dr. Bast?</p> <p>16 A. It would have been -- I think it was, like, end of</p> <p>17 February, right after coming out of the hospital.</p> <p>18 Q. February of which year?</p> <p>19 A. 2023, sorry.</p> <p>20 Q. And have you seen any other providers for anxiety?</p> <p>21 A. No.</p> <p>22 Q. Have you sought any treatment or counseling for the</p> <p>23 depression?</p> <p>24 A. Yes. We went back to Kevin Moore.</p> <p>25 Q. When did you go back to Kevin Moore?</p>
<p style="text-align: right;">Page 30</p> <p>1 Q. Has M.R. suffered from depression?</p> <p>2 A. Yes.</p> <p>3 Q. Has M.R. suffered from suicidal thoughts?</p> <p>4 A. He was cutting, so I don't know if that would be</p> <p>5 considered a suicide thought.</p> <p>6 Q. Okay. Are there any other mental health issues</p> <p>7 that M.R. has dealt with?</p> <p>8 A. No.</p> <p>9 Q. So with the anxiety, when did you first notice M.R.</p> <p>10 seemed to have anxiety?</p> <p>11 A. I noticed them right as soon as he came out to us</p> <p>12 in December of 2021.</p> <p>13 Q. Did you notice any anxiety before that time?</p> <p>14 A. No.</p> <p>15 Q. When did you first notice that M.R. seemed to have</p> <p>16 depression?</p> <p>17 A. The depression, I noticed it right after, like,</p> <p>18 starting the transition.</p> <p>19 Q. Did you notice any depression before that time?</p> <p>20 A. No.</p> <p>21 Q. And when did M.R. start cutting?</p> <p>22 A. M.R. starting cutting -- I'm sorry. I get my dates</p> <p>23 mixed up.</p> <p>24 So this would have been around -- it might</p> <p>25 have been -- it was before February 2023.</p>	<p style="text-align: right;">Page 32</p> <p>1 MR. FALK: I will object, James. And I</p> <p>2 apologize. I think the witness is answering your</p> <p>3 question as if it's focused solely on one provider.</p> <p>4 She did mention that M.R. was in the hospital in</p> <p>5 February of 2023. So I assume you'll be asking</p> <p>6 about that. But I think she's answering a</p> <p>7 different question than perhaps you're asking.</p> <p>8 MR. BARTA: Well, let me try to clarify then,</p> <p>9 Ken.</p> <p>10 MR. FALK: Okay.</p> <p>11 BY MR. BARTA:</p> <p>12 Q. So you mentioned that M.R. has suffered from</p> <p>13 depression.</p> <p>14 A. Right.</p> <p>15 Q. And you have sought treatment or counseling for the</p> <p>16 depression, correct?</p> <p>17 A. Yes.</p> <p>18 Q. How many providers -- how many counselors or</p> <p>19 medical providers have you seen for that?</p> <p>20 A. Three.</p> <p>21 Q. Which are the counselors? Can you give me a list</p> <p>22 of those?</p> <p>23 A. It would be the Michiana Behavioral and then</p> <p>24 Dr. Bast and Kevin Moore.</p> <p>25 Q. Which was the first provider you saw for the</p>

<p style="text-align: right;">Page 33</p> <p>1 depression?</p> <p>2 A. The first official diagnosis for depression was</p> <p>3 with Behavioral.</p> <p>4 Q. Michiana Behavioral?</p> <p>5 A. Yes.</p> <p>6 Q. And then which was the second provider you saw?</p> <p>7 A. Dr. Bast.</p> <p>8 Q. And then the third was Kevin Moore?</p> <p>9 A. And then Kevin Moore, yes.</p> <p>10 Q. And when did you see Michiana Behavioral?</p> <p>11 A. It was, like, the first or second week of</p> <p>12 February 2023.</p> <p>13 Q. And when did you see Dr. Bast for the depression?</p> <p>14 A. It would have been a few days right after he came</p> <p>15 out of the hospital.</p> <p>16 Q. And when did he start seeing Kevin Moore?</p> <p>17 A. I think it was in March of 2023.</p> <p>18 Q. Have you sought any counseling or medical treatment</p> <p>19 for the cutting?</p> <p>20 A. Yes. They would have been with Kevin Moore during</p> <p>21 that time.</p> <p>22 Q. Any other providers for the cutting?</p> <p>23 A. No.</p> <p>24 Q. Has M.R. dealt with any other chronic medical</p> <p>25 conditions?</p>	<p style="text-align: right;">Page 35</p> <p>1 then just not being able to understand whatever was</p> <p>2 happening on the board. So he was having a hard</p> <p>3 time focusing with schoolwork.</p> <p>4 Q. Did M.R. have a hard time focusing before ninth</p> <p>5 grade?</p> <p>6 A. Yes, but when I noticed it getting worse was</p> <p>7 freshman year.</p> <p>8 Q. Was there anything else going on in M.R.'s life at</p> <p>9 the beginning of freshman year?</p> <p>10 A. Marching band.</p> <p>11 Q. Anything else?</p> <p>12 A. In summer of 2022? Yeah, just marching band and</p> <p>13 school stuff, yes.</p> <p>14 Q. No big changes in M.R.'s life around summer 2022?</p> <p>15 A. Not for summer of 2022, no.</p> <p>16 Q. So the first provider you saw for the mental health</p> <p>17 issues, I think, was Michiana Behavioral Health?</p> <p>18 A. Uh-huh.</p> <p>19 MR. FALK: And I'm going to just object. I</p> <p>20 think she testified that she had first seen the</p> <p>21 counselor for a while, and then there was a break,</p> <p>22 and then Michiana. So...</p> <p>23 MR. BARTA: Okay. Let me rephrase that.</p> <p>24 BY MR. BARTA:</p> <p>25 Q. So at some point you took M.R. to Michiana</p>
<p style="text-align: right;">Page 34</p> <p>1 A. Like other diagnoses?</p> <p>2 Q. Yes.</p> <p>3 A. He has ADD.</p> <p>4 Q. Any others?</p> <p>5 A. No.</p> <p>6 Q. When was M.R. diagnosed with ADD?</p> <p>7 A. It was diagnosed with Behavioral, the health -- in</p> <p>8 the hospital.</p> <p>9 Q. So that would have been this year?</p> <p>10 A. Yes.</p> <p>11 Q. Did you suspect M.R. might have ADD before this</p> <p>12 time?</p> <p>13 A. Yes.</p> <p>14 Q. When did you first suspect M.R. might have ADD?</p> <p>15 A. At the beginning of the school year, for his</p> <p>16 freshman year.</p> <p>17 Q. The beginning of ninth grade?</p> <p>18 A. Yes.</p> <p>19 Q. And that was fall 2022; is that right?</p> <p>20 A. Yes, yeah, yeah. I'm so bad with dates. I'm so</p> <p>21 sorry.</p> <p>22 Q. Don't worry. I'm in the same position.</p> <p>23 And what behaviors made you suspect M.R. had</p> <p>24 ADD?</p> <p>25 A. Having a hard time focusing with schoolwork and</p>	<p style="text-align: right;">Page 36</p> <p>1 Behavioral Health, right?</p> <p>2 A. Yes.</p> <p>3 Q. When was that?</p> <p>4 A. That was February 2023.</p> <p>5 Q. What prompted you to take M.R. to Michiana</p> <p>6 Behavioral Health?</p> <p>7 A. He said to us that he was going to kill himself.</p> <p>8 Q. Did he tell you why he was going to kill himself?</p> <p>9 A. Yes.</p> <p>10 Q. Why?</p> <p>11 A. A few days before that, we had received a phone</p> <p>12 call from the school counselor letting us know that</p> <p>13 he had skipped 13 days in a row of school.</p> <p>14 And, then, so the way we proceeded with it was</p> <p>15 we talked to him about it and said, hey, we need</p> <p>16 you to go to your classes. We need you to do your</p> <p>17 schoolwork if you want to continue with marching</p> <p>18 band. He did say he was going to try and then</p> <p>19 turned around and didn't do that.</p> <p>20 And, then, so me and my husband had decided</p> <p>21 that we were going to withdraw him from Goshen.</p> <p>22 And then that's when he said, if you withdraw me</p> <p>23 from Goshen, I'm going to kill myself.</p> <p>24 Q. How did you respond?</p> <p>25 A. My response was, we're going to the hospital.</p>

<p style="text-align: right;">Page 37</p> <p>1 That's -- yeah. You having that feeling of I want 2 to kill myself, I don't think it was -- yeah. I 3 said, we're going to the hospital. We're going to 4 have to talk to somebody at the ER to see what we 5 can do. 6 Q. Did you go to the hospital then? 7 A. Yes. 8 Q. And what happened at the hospital? 9 A. They did, like, an interview or they asked some 10 questions. And then they said, I feel like it's 11 appropriate for him to go to Michiana Behavioral 12 for a couple of days and go from there. 13 Q. Did the hospital diagnose M.R. with anything? 14 A. Not that I remember. 15 Q. So you then took -- after the hospital, you took 16 M.R. to Michiana? 17 A. Uh-huh, yes. We drove him there. 18 Q. What happened at Michiana? 19 A. We just arrived. They had us sign some papers, and 20 then they said that early in the morning they were 21 going to do an evaluation, and then they were going 22 to contact me. 23 Q. Were you present for the evaluation? 24 A. I was not. 25 Q. What did they tell you about evaluation?</p>	<p style="text-align: right;">Page 39</p> <p>1 A. No. We weren't allowed to. 2 Q. Did you have any other phone calls with Michiana? 3 A. Yes. We had one phone call with one of the 4 therapists. 5 Q. What was that call about? 6 A. It was a family meeting with my husband, M.R., the 7 therapist, and I. 8 Q. And what happened on that call? 9 A. The call was to see ways of how to help M.R. cope 10 with whatever he needed. 11 Q. What were some of those ways? 12 A. One of the ways was giving him time to listen to 13 his music, because he likes to hear music, writing 14 things down. And I don't remember the rest. 15 Sorry. 16 Q. Did you have any other interactions with the 17 providers at Michiana? 18 A. No. 19 Q. So it was just the first call, and then the call 20 with the therapist were your only interactions? 21 A. Yes, yeah. 22 Q. Did anyone at Michiana talk to you about how they 23 diagnosed M.R. with ADD? 24 A. No, no. They just called me and just said, this is 25 what we think is going on.</p>
<p style="text-align: right;">Page 38</p> <p>1 A. They called and said that they diagnosed him with 2 ADD and said that his ADD had gotten so bad that 3 the depression had gotten over. And then they 4 diagnosed it with gender dysphoria and said that 5 due to the ADD and the gender dysphoria not being 6 taken care of, had taken over by depression. 7 Q. What else was said on the call? 8 A. They just said that they were going to treat the 9 depression first, and then I need to follow up with 10 someone else to get treated for the ADD and the 11 gender dysphoria. 12 Q. Do you know how they treated the depression? 13 A. Yes. They gave him -- I don't remember the 14 medication, but they gave him medication for the 15 depression. 16 Q. Do you know whether Michiana did any other 17 treatments? 18 A. They just did -- they just taught him how to -- 19 taught him, like, coping skills of, like, ways of 20 not to cut, ways of how to deal with anxiety. I 21 think that -- yeah, and they just had, like, little 22 meetings of stuff just to talk about how to process 23 things and how to communicate and then how to have 24 better coping skills than cutting. 25 Q. Did you attend any of these meetings?</p>	<p style="text-align: right;">Page 40</p> <p>1 Q. Did anyone talk with you about how they diagnosed 2 M.R. with depression? 3 A. No. 4 Q. Did anyone talk with you about how they diagnosed 5 M.R. with gender dysphoria? 6 A. No. 7 Q. How long was M.R. at Michiana? 8 A. It was, like, ten, 11 days. 9 Q. What happened when M.R. was discharged? 10 A. We went home, and then he just kind of talked to us 11 about his experience with Michiana. And then we 12 just kind of -- that day, we just kind of just let 13 things settle. And then the next following day, we 14 had a meeting with the school counselor. 15 Q. So what did M.R. tell you about his experience with 16 Michiana? 17 A. That they were really nice people. Like, they 18 used to have activities, learned how to play a lot 19 of card games. He liked the staff. And then just 20 talking -- really didn't talk much about, like, his 21 coping skills, but he just kept saying, I learned a 22 lot, I learned a lot, and I learned a lot. And he 23 was saying, thank you so much for sending me there. 24 I learned a lot of things of how to help my anxiety 25 and how to not use cutting as a first resource to</p>

<p style="text-align: right;">Page 41</p> <p>1 cope.</p> <p>2 Q. But it sounds like M.R. found the treatment or the</p> <p>3 counseling at Michiana helpful; is that right?</p> <p>4 A. That is correct.</p> <p>5 Q. Were you given any follow-up instructions from</p> <p>6 Michiana?</p> <p>7 A. Yes.</p> <p>8 Q. What were those?</p> <p>9 A. To follow up with the primary physician for</p> <p>10 treatment for the ADD and the gender dysphoria,</p> <p>11 continue medications for depression.</p> <p>12 Q. Who was M.R.'s primary physician at that time?</p> <p>13 A. Dr. Bast.</p> <p>14 Q. How long has Dr. Bast been M.R.'s primary care</p> <p>15 physician?</p> <p>16 A. February 2023 would have been the first time they</p> <p>17 saw him.</p> <p>18 Q. Did Dr. Bast see M.R. before being released from</p> <p>19 Michiana?</p> <p>20 A. No.</p> <p>21 Q. So did M.R. have a primary care physician before</p> <p>22 Dr. Bast?</p> <p>23 A. Yes, but we haven't been to that physician for more</p> <p>24 than a year.</p> <p>25 Q. Who was that previous physician?</p>	<p style="text-align: right;">Page 43</p> <p>1 would have been with the vice principal, which is</p> <p>2 Mr. Wolf.</p> <p>3 Q. Has the plan you came up with with the school</p> <p>4 counselor been helpful to M.R.?</p> <p>5 A. Yes.</p> <p>6 Q. When did M.R. first start experiencing panic</p> <p>7 attacks?</p> <p>8 A. That I have known of would have been freshman year.</p> <p>9 Q. Can you help me date that?</p> <p>10 A. That would have been February -- no. Sorry. They</p> <p>11 start school in August. So that would have been</p> <p>12 August 2022.</p> <p>13 Q. And how frequently does M.R. have panic attacks?</p> <p>14 A. He was having them maybe, like, three to four at a</p> <p>15 time in a week, within the week.</p> <p>16 Q. Did you ever find out why M.R. had missed 13 days</p> <p>17 of classes?</p> <p>18 A. Yes.</p> <p>19 Q. Why did M.R. miss those classes?</p> <p>20 A. Because his teachers were misgendering him and not</p> <p>21 using his name that he wanted to be used.</p> <p>22 MR. BARTA: So I think this may be a good</p> <p>23 point to take a five- or ten-minute break.</p> <p>24 Would that be okay with y'all?</p> <p>25 MR. FALK: Sure.</p>
<p style="text-align: right;">Page 42</p> <p>1 A. It would have been Beacon Pediatrics.</p> <p>2 Q. You also said that you had a meeting with the</p> <p>3 school counselor after he was released from</p> <p>4 Michiana, right?</p> <p>5 A. Yes.</p> <p>6 Q. What was that meeting about?</p> <p>7 A. We talked about how to help M.R. out whenever he</p> <p>8 had his panic attacks, like, where can he go, who</p> <p>9 he can talk to, and just so we can communicate with</p> <p>10 him, like, what's going on with him, what's going</p> <p>11 on with his classes, and then just try to see,</p> <p>12 like, how can we help him be better with</p> <p>13 schoolwork.</p> <p>14 Q. Did you come with a plan to help M.R. at that</p> <p>15 meeting?</p> <p>16 A. Yes.</p> <p>17 Q. What was the plan?</p> <p>18 A. The plan was that if he needed to -- I don't</p> <p>19 remember the name of the -- how they call it, but</p> <p>20 there's a room that kids can go to for 15 minutes</p> <p>21 to kind of, like, re-collect themselves. And,</p> <p>22 then, so he was allowed access to that room.</p> <p>23 Q. Who's M.R.'s school counselor?</p> <p>24 A. That is a very good question. I don't remember his</p> <p>25 name. But most of my communication that I did</p>	<p style="text-align: right;">Page 44</p> <p>1 MR. BARTA: Do you have a preference between</p> <p>2 five or ten?</p> <p>3 MR. FALK: We can compromise at seven and a</p> <p>4 half, but five is fine.</p> <p>5 MR. BARTA: Okay. We'll do five. All right.</p> <p>6 Thank you all.</p> <p>7 THE WITNESS: Thank you.</p> <p>8 (A recess was taken between 10:25 a.m. and</p> <p>9 10:31 a.m.)</p> <p>10 BY MR. BARTA:</p> <p>11 Q. Just before the break, we were talking about some</p> <p>12 of the treatment you sought and some of the issues</p> <p>13 that M.R. was dealing with. I think you mentioned</p> <p>14 M.R. had skipped some classes and had -- you know,</p> <p>15 was doing some cutting.</p> <p>16 Was there any other ways that M.R. was acting</p> <p>17 out?</p> <p>18 A. Not doing his chores. He wouldn't want to</p> <p>19 participate with any of the family stuff because he</p> <p>20 just wanted to be inside his room.</p> <p>21 Q. Any other ways?</p> <p>22 A. That I noticed? No.</p> <p>23 Q. Then how long had M.R. not been doing chores?</p> <p>24 A. For, like, a month or two.</p> <p>25 Q. So that would have been starting when?</p>

<p style="text-align: right;">Page 45</p> <p>1 A. I think November of --</p> <p>2 Q. Did M.R. -- I'm sorry.</p> <p>3 Did you have more to say?</p> <p>4 A. I would say November of 2022.</p> <p>5 Q. Did M.R. say why he was not doing his chores?</p> <p>6 A. Because he just didn't feel like it.</p> <p>7 Q. And how long had M.R. not been wanting to</p> <p>8 participate in family activities?</p> <p>9 A. About the same, about two months.</p> <p>10 Q. Did M.R. say why?</p> <p>11 A. No. He would just be, like, I don't feel like</p> <p>12 doing it. I'm just really tired. I just want to</p> <p>13 go to my bed.</p> <p>14 Q. Did you ever have a conversation with M.R. about</p> <p>15 not participating?</p> <p>16 A. Yes.</p> <p>17 Q. What was said during the conversation?</p> <p>18 A. I don't remember all of it, but most of it I</p> <p>19 remember just saying, if you need to talk to me, if</p> <p>20 there's something going on, I'm always here. We</p> <p>21 will help you find whatever you need help with.</p> <p>22 Q. And did you have a conversation with M.R. about</p> <p>23 chores?</p> <p>24 A. Yes.</p> <p>25 Q. What was said during that conversation?</p>	<p style="text-align: right;">Page 47</p> <p>1 after coming out of the Michiana Behavioral, in</p> <p>2 February 2023.</p> <p>3 Q. Did you go to that initial appointment?</p> <p>4 A. Yes.</p> <p>5 Q. Did anyone else go?</p> <p>6 A. My husband was there.</p> <p>7 Q. Anyone else?</p> <p>8 A. M.R.</p> <p>9 Q. I would hope so.</p> <p>10 A. Well, yes, M.R.</p> <p>11 Q. And how long was that appointment?</p> <p>12 A. It might have been between half an hour to an hour.</p> <p>13 Q. And what was discussed at that appointment?</p> <p>14 A. My concerns of the depression, concerns of the</p> <p>15 anxiety, and treatment for the gender dysphoria.</p> <p>16 Q. Did you have any other concerns you raised?</p> <p>17 A. So, yeah. So the ADD, the anxiety, the depression,</p> <p>18 and the gender. Those four were my main concerns.</p> <p>19 Q. Did your husband raise any additional concerns?</p> <p>20 A. The depression.</p> <p>21 Q. What was said about the depression at the</p> <p>22 appointment?</p> <p>23 A. That we just noticed that M.R. -- we felt that the</p> <p>24 reason why he wasn't doing, like, the schoolwork or</p> <p>25 not going to classes, not doing the chores, staying</p>
<p style="text-align: right;">Page 46</p> <p>1 A. That I would like for him to just do his chores, he</p> <p>2 can get them out of the way and move on with</p> <p>3 whatever he needs to do.</p> <p>4 Q. How did M.R. respond?</p> <p>5 A. He said, I will try.</p> <p>6 Q. So I think you mentioned that you started seeing</p> <p>7 Dr. Bast in February 2023; is that right?</p> <p>8 A. That is right.</p> <p>9 Q. Why did you switch providers to Dr. Bast?</p> <p>10 A. One of my kids had got dismissed from Beacon</p> <p>11 Pediatrics, so they dismissed all my kids.</p> <p>12 Q. Why was your child dismissed?</p> <p>13 A. Because they missed one appointment, uh-huh.</p> <p>14 Q. So how did you find Dr. Bast?</p> <p>15 A. Because of employment.</p> <p>16 Q. And what was the reason you decided to go with</p> <p>17 Dr. Bast instead of a different provider?</p> <p>18 A. Family care, just the way things -- I mean, it's</p> <p>19 just a nice, really good practice, and I just feel</p> <p>20 really comfortable bringing my children here with</p> <p>21 her.</p> <p>22 Q. And you're still taking M.R. to Mosaic?</p> <p>23 A. Yes.</p> <p>24 Q. When was M.R.'s initial appointment with Dr. Bast?</p> <p>25 A. I don't remember exactly the date, but it was right</p>	<p style="text-align: right;">Page 48</p> <p>1 away from us was because of the depression.</p> <p>2 Q. What did Dr. Bast say about the depression?</p> <p>3 A. I don't remember the exact words. It was --</p> <p>4 because they had already started the medication at</p> <p>5 the other place. And that medicine was giving him</p> <p>6 an upset stomach, and it was making him feel weird.</p> <p>7 And, then, so I asked and said, is there a way that</p> <p>8 maybe we could start a different medication. And,</p> <p>9 then, so we talked about starting another</p> <p>10 depression medicine during that time.</p> <p>11 Q. Did you talk about any other treatments for</p> <p>12 depression?</p> <p>13 A. We talked about how the gender dysphoria can be</p> <p>14 connected with depression.</p> <p>15 Q. Did you talk about seeing a counselor for the</p> <p>16 depression?</p> <p>17 A. Yes.</p> <p>18 Q. Did Dr. Bast recommend seeing a counselor for the</p> <p>19 depression?</p> <p>20 A. Well, actually, I brought it up. And I said that I</p> <p>21 was already -- I had already had an appointment</p> <p>22 with Kevin Moore, and Dr. Bast felt that that was</p> <p>23 appropriate.</p> <p>24 Q. And how many appointments has M.R. had with Kevin</p> <p>25 Moore about the depression?</p>

<p style="text-align: right;">Page 49</p> <p>1 A. I want to say maybe, like, possibly six. I don't 2 remember.</p> <p>3 Q. Have those appointments been helpful for M.R.?</p> <p>4 A. Yes.</p> <p>5 Q. You mentioned starting a different medication. 6 Was M.R. prescribed a different depression 7 medication?</p> <p>8 A. Yes.</p> <p>9 Q. And did M.R. start taking that medicine?</p> <p>10 A. Yes.</p> <p>11 Q. Is M.R. still taking that medicine?</p> <p>12 A. No.</p> <p>13 Q. When did M.R. stop?</p> <p>14 A. He stopped taking that medication, I want to say 15 about a month ago.</p> <p>16 Q. Okay. And who made the decision that M.R. should 17 stop taking the medication?</p> <p>18 A. I reached out to Dr. Bast, and I said, M.R. is 19 having some side effects with this medication. He 20 doesn't feel good with that medicine. So we 21 decided to try a different medication.</p> <p>22 Q. And so M.R. has been prescribed a third medication 23 now?</p> <p>24 A. Yes.</p> <p>25 Q. And is M.R. taking that medication?</p>	<p style="text-align: right;">Page 51</p> <p>1 A. The panic attacks, that it just -- it would trigger 2 him to just have panic attacks with just random 3 things, just -- so I wanted to see if there was 4 something that can help him try to keep him calm to 5 be able to function through school.</p> <p>6 Q. And what did Dr. Bast say about the anxiety and 7 panic attacks?</p> <p>8 A. So we talked about how there's medications that can 9 help. And then we talked about using our coping 10 skills. And then we talked about going to therapy 11 for it.</p> <p>12 Q. So I have medications, coping skills, and therapy. 13 Was there anything else?</p> <p>14 A. No.</p> <p>15 Q. And did Dr. Bast prescribe medication for the 16 anxiety?</p> <p>17 A. No.</p> <p>18 Q. Do you know why?</p> <p>19 A. Because I decided that I wanted to wait a little 20 bit longer.</p> <p>21 Q. What made you want to wait?</p> <p>22 A. Because before the appointment, we had decided that 23 we wanted to start HRT.</p> <p>24 Q. What is HRT?</p> <p>25 A. It's hormone replacement therapy.</p>
<p style="text-align: right;">Page 50</p> <p>1 A. No.</p> <p>2 Q. Why not?</p> <p>3 A. Because he took it for a week, and we talked about 4 how he was feeling with his medication. And he 5 said that he had only taken it for a week. He 6 stopped taking it because he felt like he no longer 7 needed to be treated for the depression.</p> <p>8 Q. Did you talk about this decision with Dr. Bast?</p> <p>9 A. Yes.</p> <p>10 Q. And what did Dr. Bast say about stopping the 11 medication?</p> <p>12 A. We decided to go back on it.</p> <p>13 Q. Has M.R. resumed taking it?</p> <p>14 A. He tells me he does.</p> <p>15 Q. You're not sure?</p> <p>16 A. I am not 100 percent sure if he is taking it again.</p> <p>17 Q. Why did Dr. Bast say M.R. needed to start taking it 18 again?</p> <p>19 A. Just so we can -- if, like, we didn't give the 20 medication a try long enough, and, then, so I felt 21 like that he needed to be on medication for a 22 little bit longer.</p> <p>23 Q. Going back to your first appointment with Dr. Bast, 24 you mentioned that you discussed anxiety. 25 What was said about anxiety?</p>	<p style="text-align: right;">Page 52</p> <p>1 Q. And you also mentioned coping skills. Did Dr. Bast 2 recommend M.R. continue with coping skills?</p> <p>3 A. Yes, and to continue to follow up with the 4 therapist.</p> <p>5 Q. Okay. And the coping skills were the ones that 6 M.R. learned at Michiana?</p> <p>7 A. Yes.</p> <p>8 Q. Were there any new coping skills added?</p> <p>9 A. With the therapist? It was, like, like a band of 10 essential oils. I don't know, that maybe smelling 11 essential oils might help him relax his brain if he 12 was familiar with, like, a scent.</p> <p>13 Q. And who is the therapist you mentioned?</p> <p>14 A. It's Kevin Moore.</p> <p>15 Q. Okay. So Kevin Moore also dealt with the anxiety 16 and panic attacks?</p> <p>17 A. I don't remember. Sorry.</p> <p>18 Q. Okay. So you mentioned -- let me start that over. 19 You mentioned Dr. Bast talked about therapy 20 for the anxiety and panic attacks?</p> <p>21 A. Uh-huh.</p> <p>22 Q. Did Dr. Bast recommend a therapist?</p> <p>23 A. I had told Dr. Bast that I was taking him to the 24 therapist.</p> <p>25 Q. And that would be Kevin Moore?</p>

<p style="text-align: right;">Page 53</p> <p>1 A. Yes.</p> <p>2 Q. You also mentioned you talked about ADD at the</p> <p>3 initial appointment.</p> <p>4 What was said about the ADD?</p> <p>5 A. That he was just -- that Michiana Behavioral had</p> <p>6 diagnosed him with ADD, and I wanted to know if</p> <p>7 there was medication for him to help him with that.</p> <p>8 Q. And what did Dr. Bast say about the ADD?</p> <p>9 A. Just said, yeah, we can help you. There's</p> <p>10 medication for it that we can help treat.</p> <p>11 Q. Did Dr. Bast prescribe medication?</p> <p>12 A. Yes.</p> <p>13 Q. And is M.R. taking that medication?</p> <p>14 A. It is a different medication now.</p> <p>15 Q. So the medication was changed at some point?</p> <p>16 A. Yes.</p> <p>17 Q. Why was it changed?</p> <p>18 A. It was giving him side effects.</p> <p>19 Q. Okay.</p> <p>20 A. He was -- yeah.</p> <p>21 Q. Then you also mentioned you talked about gender</p> <p>22 dysphoria with Dr. Bast at that first appointment,</p> <p>23 right?</p> <p>24 A. Correct.</p> <p>25 Q. What was said about the gender dysphoria?</p>	<p style="text-align: right;">Page 55</p> <p>1 and M.R. said no. And how long have you been</p> <p>2 feeling this way; and then M.R. said, since I was</p> <p>3 young. And I don't remember much of it. Sorry.</p> <p>4 Q. Do you remember approximately how long Dr. Bast</p> <p>5 talked with M.R. about the gender dysphoria?</p> <p>6 A. We talked for, like, 30 to an hour, 30 minutes to</p> <p>7 an hour.</p> <p>8 Q. Was that the entire appointment, 30 minutes to an</p> <p>9 hour?</p> <p>10 A. I think, yeah. But we talked about anxiety, we</p> <p>11 talked about the ADD, we talked about depression,</p> <p>12 the HRT, and then just coming up with a plan on how</p> <p>13 we can help M.R. to start feeling like himself.</p> <p>14 Q. Did Dr. Bast ask a lot of questions about the</p> <p>15 gender dysphoria?</p> <p>16 A. Yes.</p> <p>17 Q. Can you ballpark how many questions?</p> <p>18 A. Like, it was questions, like, how do you -- do you</p> <p>19 feel like the gender dysphoria is affecting your</p> <p>20 depression. There were questions of, like, do you</p> <p>21 feel like your anxiety has been triggered because</p> <p>22 of your gender dysphoria; do you feel like anxiety</p> <p>23 is just anxiety; do you feel like the depression is</p> <p>24 just depression; questions like that.</p> <p>25 Q. Do you think Dr. Bast asked more than 15 questions</p>
<p style="text-align: right;">Page 54</p> <p>1 A. So I had -- I talked to Dr. Bast and said, hey,</p> <p>2 M.R. doesn't identify as his assigned sex. I did a</p> <p>3 little bit of research, and it shows that gender</p> <p>4 dysphoria is linked to depression and anxiety. And</p> <p>5 M.R. agreed that part of him not feeling as the</p> <p>6 assigned sex that he was, was not with him.</p> <p>7 And, then, so between me and M.R., we agreed</p> <p>8 that we wanted to treat the gender dysphoria to see</p> <p>9 if the depression and the anxiety would help with</p> <p>10 that.</p> <p>11 Q. What did Dr. Bast say about the gender dysphoria at</p> <p>12 the initial appointment?</p> <p>13 A. I don't remember.</p> <p>14 Q. Did Dr. Bast conduct -- oh, go -- you were -- go</p> <p>15 ahead. You remembered something?</p> <p>16 A. Yes. It was, if you would like, we can give you</p> <p>17 treatment, and we can start at a very low dosage.</p> <p>18 Q. What is the treatment you mentioned?</p> <p>19 A. HRT.</p> <p>20 Q. Did Dr. Bast conduct an independent evaluation</p> <p>21 about M.R.'s gender dysphoria?</p> <p>22 A. I mean, she asked -- they asked questions.</p> <p>23 Q. What kinds of questions?</p> <p>24 A. It was one -- I don't remember the wording of it.</p> <p>25 It was, like, do you identify as your assigned sex,</p>	<p style="text-align: right;">Page 56</p> <p>1 about the gender dysphoria?</p> <p>2 A. I want to say yes.</p> <p>3 Q. More than 30?</p> <p>4 A. Not more than 30. I don't remember because it</p> <p>5 was -- we had three -- four things that we</p> <p>6 discussed. And it was just kind of all within that</p> <p>7 30 to an hour.</p> <p>8 Q. Okay. Did Dr. Bast order any tests or evaluations?</p> <p>9 A. No, because we had already had the evaluation from</p> <p>10 the Behavioral in Michigan.</p> <p>11 Q. So you mentioned treatment options for gender</p> <p>12 dysphoria.</p> <p>13 What was said about treatment options?</p> <p>14 A. Treatment options were, we can help with the</p> <p>15 depression and the anxiety, treat that, see where</p> <p>16 that goes, and then just give it some time and see</p> <p>17 how we feel, or we can try HRT and see how we go</p> <p>18 from there, if it helps with treatment of the</p> <p>19 anxiety and the depression.</p> <p>20 Q. And what decisions were made about treatment?</p> <p>21 A. What do you mean by --</p> <p>22 Q. I think you just laid out two options.</p> <p>23 Did Dr. Bast offer any other options?</p> <p>24 A. So I mean, the therapy, we had already tried the</p> <p>25 therapy before that.</p>

<p style="text-align: right;">Page 57</p> <p>1 Q. So what decision was made about how to treat the 2 gender dysphoria?</p> <p>3 A. My husband and I decided that we wanted to give a 4 try to the hormone therapy.</p> <p>5 Q. I think you mentioned you had already decided you 6 wanted to try that before going to the appointment; 7 is that right?</p> <p>8 A. Yes, because we had talked to M.R. about the 9 Michiana stuff, what had happened over there, how 10 he felt, and -- yeah.</p> <p>11 Q. What did you consider in that conversation about 12 whether to go on HRT?</p> <p>13 A. Just M.R. was getting identified as a female a lot, 14 even though he had socially transitioned. So the 15 social transition itself was not helping his mental 16 state. He was still having a lot of panic attacks. 17 He was still depressed. He wasn't going anywhere 18 because every time that we went somewhere, somebody 19 always misgendered him, and that just triggered his 20 anxiety.</p> <p>21 He just didn't feel comfortable. He didn't 22 feel safe. He always expressed that he always 23 wanted to -- like he always had that feeling that 24 something was missing. And, then, so I was the one 25 that suggested HRT.</p>	<p style="text-align: right;">Page 59</p> <p>1 I saw that HRT can give you -- well, 2 testosterone can help you develop male 3 characteristics like facial hair, like your face 4 structure can help you, your voice could get 5 deeper, just -- your body fat distributes 6 differently.</p> <p>7 And, then, so seeing that that hormone can 8 help him develop more male characteristics, so, 9 like, it was appropriate for him because it will 10 help out out there to not misgender him, to help 11 him feel like a male, that people see him as a 12 male.</p> <p>13 Q. So when you, your husband, and M.R. met to discuss 14 HRT before seeing Dr. Bast, who made the decision 15 that you should go with HRT?</p> <p>16 A. I did.</p> <p>17 Q. Okay. And what factors went into your decision?</p> <p>18 A. Just based on what M.R. was telling me that he was 19 feeling. He was just saying, people are 20 misgendering me. I just -- I just feel like 21 something's missing. I don't feel like myself.</p> <p>22 And, then, so based on what the testosterone 23 can do for you, I said, maybe this might be proper 24 for him. And, then, so I had talked to him about 25 that.</p>
<p style="text-align: right;">Page 58</p> <p>1 Q. How did you find out about HRT?</p> <p>2 A. Here, my employment.</p> <p>3 Q. Did you do any research on HRT before having that 4 conversation with M.R.?</p> <p>5 A. I did a little bit, yeah.</p> <p>6 Q. Where did you go for the research?</p> <p>7 A. I just Googled. I Googled, and then I went based 8 on the research we had here.</p> <p>9 Q. Do you remember what websites you visited?</p> <p>10 A. No. I just Googled "gender dysphoria" or "HRT" or 11 "ways of how to help with gender" -- I don't 12 remember exactly what I Googled. And then 13 something came up, and I just clicked on it.</p> <p>14 Q. You said you looked at documents at your 15 employment?</p> <p>16 A. Yes.</p> <p>17 Q. What were those documents?</p> <p>18 A. Just the package.</p> <p>19 Q. Can you say a little bit more -- what kind of 20 package is this?</p> <p>21 A. So we have a package that talks about possible side 22 effects. I think there's, like, long-term things 23 in there, short-term stuff, benefits, of, like, 24 HRT, things that can happen when you're on the 25 hormones.</p>	<p style="text-align: right;">Page 60</p> <p>1 And then we decided -- he said, yeah, let's 2 give it a try. And if it doesn't work out for me, 3 we can always stop.</p> <p>4 Q. So going back to your initial appointment with 5 Dr. Bast, so the two treatment options were -- one 6 was to -- I think you said to treat the depression 7 and anxiety and see how it goes.</p> <p>8 And the second option was to start the HRT and 9 see what happens; is that right?</p> <p>10 A. Yes.</p> <p>11 Q. Did Dr. Bast say anything about the pros and cons 12 of one treatment option over the other?</p> <p>13 A. Because it was not like either you go with this, or 14 you go with that. It was more like, this is how we 15 can treat anxiety. This can help. This is how we 16 can treat depression. This can help. Gender 17 dysphoria, this is how we can help.</p> <p>18 So it was, like, all kind of -- it was four 19 choices, but then they all just felt like they 20 connected together.</p> <p>21 And, then, so for me, I just put the little 22 pieces together, and I felt that treating the 23 gender dysphoria first would help out with the 24 anxiety and the depression.</p> <p>25 I didn't want to just push too many things at</p>

<p style="text-align: right;">Page 61</p> <p>1 once at him, because he was already trying to</p> <p>2 process whatever, like, the coping skills and stuff</p> <p>3 like that.</p> <p>4 And, then, so I just felt like it was</p> <p>5 appropriate for us to just give him that</p> <p>6 opportunity to be able to do this therapy and see</p> <p>7 if it will help him feel like himself.</p> <p>8 Q. Did Dr. Bast suggest you may want to treat the</p> <p>9 depression and anxiety and wait on the HRT?</p> <p>10 A. It was given to us as an option to choose what we</p> <p>11 wanted to treat or not.</p> <p>12 Q. Did Dr. Bast mention if there's any advantages to</p> <p>13 treating the depression and anxiety and waiting on</p> <p>14 the HRT?</p> <p>15 A. Yes.</p> <p>16 Q. What were those?</p> <p>17 A. Just medication can help you out.</p> <p>18 Q. Okay. Was HRT prescribed at your initial</p> <p>19 appointment?</p> <p>20 A. Yes.</p> <p>21 Q. And when did M.R. start taking that medication?</p> <p>22 A. Two -- it was, like, two weeks after the</p> <p>23 appointment.</p> <p>24 Q. And at your initial appointment, did Dr. Bast say</p> <p>25 there needed to be any follow-up appointments?</p>	<p style="text-align: right;">Page 63</p> <p>1 feel like it was helping him out enough.</p> <p>2 Q. But no lab tests were ordered?</p> <p>3 A. Yes.</p> <p>4 Q. Oh, there were? What lab tests were ordered?</p> <p>5 A. It was CMP and the hormone-level checks.</p> <p>6 Q. Do you know why those were ordered?</p> <p>7 A. It's to make sure -- to see where the levels are at</p> <p>8 and just to make sure that the -- everything else</p> <p>9 is good.</p> <p>10 Q. Did you have any questions for Dr. Bast about the</p> <p>11 HRT?</p> <p>12 A. Yes.</p> <p>13 Q. What were your questions?</p> <p>14 A. Questions were, like, the benefits of how this can</p> <p>15 help him out.</p> <p>16 Q. What was said about the benefits?</p> <p>17 A. That it just can help with giving you more male</p> <p>18 characteristics. And it has helped other patients</p> <p>19 feel more secure.</p> <p>20 Q. Did Dr. Bast say anything about the research on</p> <p>21 benefits?</p> <p>22 A. I don't remember.</p> <p>23 Q. Other than your question about benefits, did you</p> <p>24 have any other questions for Dr. Bast?</p> <p>25 A. I just -- we talked about -- I asked about</p>
<p style="text-align: right;">Page 62</p> <p>1 A. Yes.</p> <p>2 Q. What was said about follow-up appointments?</p> <p>3 A. That we needed to follow up in a month to see how</p> <p>4 he was doing on the HRT and to follow up to see how</p> <p>5 he was doing on the ADD medication and the</p> <p>6 depression, just -- yeah. Just to follow up and</p> <p>7 see how he was doing in a month.</p> <p>8 Q. Are you familiar with drugs used to suppress</p> <p>9 natural puberty?</p> <p>10 A. Puberty blockers?</p> <p>11 Q. Yes.</p> <p>12 A. Do I know anything about it?</p> <p>13 Q. Yes.</p> <p>14 A. Yes.</p> <p>15 Q. Has M.R. ever been put on those drugs?</p> <p>16 A. No.</p> <p>17 Q. So I want to ask you a few more questions about the</p> <p>18 HRT so I can better understand that.</p> <p>19 Before you started the HRT, did Dr. Bast say</p> <p>20 any tests or evaluations needed to be run?</p> <p>21 A. They asked if we had done -- what we had done in</p> <p>22 the past to help with the transition, which we had</p> <p>23 done the -- we had done the therapy. We did the</p> <p>24 social transition. So we had -- yeah, we talked</p> <p>25 about what we had already done. And we just didn't</p>	<p style="text-align: right;">Page 64</p> <p>1 treatment for ADD.</p> <p>2 Q. Did your husband have any questions about the HRT</p> <p>3 for Dr. Bast?</p> <p>4 A. He had questions about fertility.</p> <p>5 Q. Okay. What did Dr. Bast say about fertility?</p> <p>6 A. Said that there has been cases where adults later</p> <p>7 on in their life decide that they want to have a</p> <p>8 pregnancy, so they stopped testosterone. And then</p> <p>9 within a year or two, they do have pregnancies.</p> <p>10 But it's something that is not recommended to have</p> <p>11 when you're on testosterone because we don't know</p> <p>12 much of what -- there's not enough research of</p> <p>13 that.</p> <p>14 Q. Did Dr. Bast say there was a risk of infertility?</p> <p>15 A. Yes.</p> <p>16 Q. Did your husband have -- did Dr. Bast say anything</p> <p>17 about needing to talk about fertility with M.R.?</p> <p>18 A. If we had talked about it?</p> <p>19 Q. Let me reask the question.</p> <p>20 Did Dr. Bast recommend any counseling about</p> <p>21 fertility to M.R. before starting testosterone?</p> <p>22 A. Dr. Bast asked if we had thought about it or talked</p> <p>23 about it, and we said yes.</p> <p>24 Q. Did M.R. receive any counseling specifically about</p> <p>25 fertility before starting testosterone?</p>

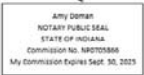

<p style="text-align: right;">Page 65</p> <p>1 A. I don't know if they talked to the therapist about</p> <p>2 it, but we talked about it as a family.</p> <p>3 Q. What did you say as a family?</p> <p>4 A. My husband and I with M.R.</p> <p>5 Q. What was said about it?</p> <p>6 A. We just -- I asked him, I said, hey, I mean -- I</p> <p>7 said, hey, I did a little bit of research of this</p> <p>8 HRT stuff. And it looks like it can help you with</p> <p>9 the depression and anxiety because it can give you</p> <p>10 male characteristics. And you'll -- it looks like</p> <p>11 you can feel more like yourself. And I said, there</p> <p>12 is some risk, and one of the risks is fertility.</p> <p>13 And M.R. said, I don't want to have kids. I'm</p> <p>14 not thinking about having kids.</p> <p>15 And then, to be honest, he has always said</p> <p>16 that before as he was younger too. So for him,</p> <p>17 yeah, it was not an issue for him. It's not an</p> <p>18 issue for him.</p> <p>19 Q. So you said your husband asked about fertility.</p> <p>20 Did your husband have any other questions</p> <p>21 about the HRT?</p> <p>22 A. No.</p> <p>23 Q. Did M.R. have any questions about the HRT?</p> <p>24 A. No.</p> <p>25 Q. Did Dr. Bast give you a packet of information about</p>	<p style="text-align: right;">Page 67</p> <p>1 function differently, as in make you -- I took it</p> <p>2 as in it can help him feel more like himself.</p> <p>3 Q. Do you remember if there was any other -- did</p> <p>4 Dr. Bast say anything about what they don't know</p> <p>5 about the effects of HRT?</p> <p>6 A. Yeah. There was something about there's -- there's</p> <p>7 been research out there, and it's proven that --</p> <p>8 and it helps with depression and anxiety, but</p> <p>9 there's still a lot of room of things that we still</p> <p>10 don't know. And that's referring, as in, like,</p> <p>11 fertility and -- it was more towards, like,</p> <p>12 fertility.</p> <p>13 Q. Okay. Do you remember any other things falling</p> <p>14 into, we don't know this?</p> <p>15 A. It's just that there's a lot that we don't know.</p> <p>16 It's more of, like, a little bit of we know now and</p> <p>17 what it can help with now, but we don't know a lot</p> <p>18 of what can happen.</p> <p>19 Q. Did you talk specifically about long-term effects?</p> <p>20 A. The long-term effects, the benefits that will be</p> <p>21 the deeper voice, long-term, the hair growth.</p> <p>22 Q. What about things you don't know long-term?</p> <p>23 A. Long-term, like --</p> <p>24 THE WITNESS: I'm going to need a break. I'm,</p> <p>25 like, so confused right now.</p>
<p style="text-align: right;">Page 66</p> <p>1 HRT?</p> <p>2 A. Yes.</p> <p>3 Q. Did you look through that at the appointment?</p> <p>4 A. Yes.</p> <p>5 Q. What was included in that packet?</p> <p>6 A. There's timelines, there's side effects, there's</p> <p>7 things that -- what can happen, like, a timeline of</p> <p>8 things, what can you expect when you're on HRT and</p> <p>9 then that there's some research, but there's not</p> <p>10 much research on, like, the fertility stuff. And I</p> <p>11 don't remember the rest.</p> <p>12 Q. Aside from fertility, were you told any -- were</p> <p>13 other risks mentioned?</p> <p>14 A. I don't remember.</p> <p>15 Q. Do you remember if anything was said about risk for</p> <p>16 cardiovascular health?</p> <p>17 A. No, I don't remember.</p> <p>18 Q. Do you know if there was anything said about risk</p> <p>19 for cognitive development?</p> <p>20 A. What's "cognitive"? Sorry.</p> <p>21 Q. Like, brain development.</p> <p>22 A. Oh, brain development? Yes, yes.</p> <p>23 Q. And what was said about that?</p> <p>24 A. I kind of don't really much remember much about it.</p> <p>25 But it was something about it can make your brain</p>	<p style="text-align: right;">Page 68</p> <p>1 MR. BARTA: We can take a break.</p> <p>2 THE WITNESS: Yeah. I'm going to need a</p> <p>3 break.</p> <p>4 MR. FALK: Can you answer the question?</p> <p>5 A. What was the question one more time?</p> <p>6 BY MR. BARTA:</p> <p>7 Q. Were you told anything -- let me -- was anything</p> <p>8 said about long-term effects about what the doctors</p> <p>9 don't know?</p> <p>10 A. I don't remember.</p> <p>11 MR. BARTA: That's fine. Well, why don't we</p> <p>12 take a break since --</p> <p>13 THE WITNESS: Yeah.</p> <p>14 MR. BARTA: Do you think five minutes would be</p> <p>15 enough, or do you need longer?</p> <p>16 THE WITNESS: Let's do five minutes. Yeah.</p> <p>17 MR. BARTA: Okay.</p> <p>18 (A recess was taken between 11:09 a.m. and</p> <p>19 11:16 a.m.)</p> <p>20 BY MR. BARTA:</p> <p>21 Q. Let's pick back up. And, Ms. Rivera, just so you</p> <p>22 know, I think we're getting pretty close to the</p> <p>23 end, so not too much longer.</p> <p>24 A. Okay.</p> <p>25 Q. So I just have a few more questions about your</p>

<p style="text-align: right;">Page 69</p> <p>1 initial appointment with Dr. Bast.</p> <p>2 The first one is, were you told anything about</p> <p>3 whether the effects of HRT are reversible?</p> <p>4 A. The effects of HRT reversible? Some, yes, and</p> <p>5 some, no. There is some stuff that is reversible,</p> <p>6 and some are not.</p> <p>7 Q. Okay. Do you remember what fell into each</p> <p>8 category?</p> <p>9 A. So the long-term -- the things that stay would be,</p> <p>10 like, the deeper voice and the facial hair. And</p> <p>11 then the things that will come back will be, like,</p> <p>12 a menstrual cycle, I think. I don't remember the</p> <p>13 rest.</p> <p>14 Q. Okay. That's fine. I just was trying to get a</p> <p>15 general flavor.</p> <p>16 A. Okay.</p> <p>17 Q. And did Dr. Bast say anything about how some</p> <p>18 children who identify as transgender stop</p> <p>19 identifying as transgender as adults?</p> <p>20 A. No. That question didn't come up, no.</p> <p>21 Q. Okay. Were you told anything about alternative</p> <p>22 treatments for gender dysphoria?</p> <p>23 A. It would have been the treating the depression and</p> <p>24 the anxiety.</p> <p>25 Q. Any other alternative treatments mentioned?</p>	<p style="text-align: right;">Page 71</p> <p>1 motivated to go to school.</p> <p>2 Q. Any other changes you can think of?</p> <p>3 A. He was -- I mean, he just kind of just -- he had</p> <p>4 more energy, so he was able to, like, get up and do</p> <p>5 more stuff.</p> <p>6 Q. Okay. Has M.R. experienced any side effects from</p> <p>7 testosterone?</p> <p>8 A. He was feeling pretty sleepy.</p> <p>9 Q. When was he feeling that?</p> <p>10 A. He was feeling really sleepy three days before his</p> <p>11 injection.</p> <p>12 Q. Does the injection resolve the sleepiness?</p> <p>13 A. I reached out to Dr. Bast, and I said, hey, M.R. is</p> <p>14 getting really sleepy, like, three or four days</p> <p>15 before his next injection. And the suggestion was</p> <p>16 to split the dosage in twos and do every week</p> <p>17 instead of biweekly.</p> <p>18 Q. Okay. Aside from sleepiness, have there been any</p> <p>19 other side effects?</p> <p>20 A. No, not that I notice, no.</p> <p>21 Q. Have you had follow-up appointments with Dr. Bast</p> <p>22 about the HRT?</p> <p>23 A. Yes.</p> <p>24 Q. How many?</p> <p>25 A. It's been two.</p>
<p style="text-align: right;">Page 70</p> <p>1 A. Social transitioning, therapy, counseling.</p> <p>2 MR. FALK: James, I just want to interrupt.</p> <p>3 They're mowing the lawn right outside our window.</p> <p>4 So if you miss anything, let us know, and we'll</p> <p>5 repeat it. They're going back and forth, so it's</p> <p>6 intermittent.</p> <p>7 MR. BARTA: It sounds pretty good right now,</p> <p>8 but I appreciate it.</p> <p>9 MR. FALK: Let us know.</p> <p>10 BY MR. BARTA:</p> <p>11 Q. So you said M.R. started taking testosterone about</p> <p>12 two weeks after the initial appointment?</p> <p>13 A. Uh-huh, correct.</p> <p>14 Q. Did M.R. report any improvement?</p> <p>15 A. Yes. I noticed it within two -- like, about a week</p> <p>16 or two.</p> <p>17 Q. Had any physical changes occurred within that first</p> <p>18 week or two?</p> <p>19 A. Physical, as in appearance?</p> <p>20 Q. Yes.</p> <p>21 A. No.</p> <p>22 Q. Had any other changes occurred in that first week</p> <p>23 or two?</p> <p>24 A. Changes were he had more energy, more smiling, more</p> <p>25 bubbly. He was more outgoing. He was more</p>	<p style="text-align: right;">Page 72</p> <p>1 Q. Okay. How long were those -- was the first</p> <p>2 follow-up appointment?</p> <p>3 A. I don't remember how long it was, but I feel like</p> <p>4 it was short because that was the appointment that</p> <p>5 we had talked about him getting really sleepy and</p> <p>6 wanting to switch the injections weekly.</p> <p>7 Q. Was anything else discussed at that first follow-up</p> <p>8 appointment?</p> <p>9 A. No. My concerns were only him being sleepy.</p> <p>10 Q. And when was the second follow-up appointment?</p> <p>11 A. The second follow-up appointment just happened.</p> <p>12 Q. And do you know approximately how long ago?</p> <p>13 A. A week ago.</p> <p>14 Q. Okay. And how long was that appointment?</p> <p>15 A. I want to say about a half an hour.</p> <p>16 Q. Okay. And what was discussed at that appointment?</p> <p>17 A. I did not make it to the appointment at the</p> <p>18 beginning of it. It was towards the end of it. I</p> <p>19 let M.R. go in by himself so he can give Dr. Bast</p> <p>20 his concerns and stuff. And then I go in and talk</p> <p>21 to Dr. Bast and say, hey, these are my concerns.</p> <p>22 And then we just kind of put his stuff together</p> <p>23 with mine, and then we just discuss about it.</p> <p>24 Q. So how long were you in -- you said M.R. went in</p> <p>25 first, right?</p>

<p style="text-align: right;">Page 73</p> <p>1 A. Yeah, to do his intake, yeah.</p> <p>2 Q. Okay. Do you know what M.R.'s concerns were?</p> <p>3 A. No. He doesn't have concerns right now.</p> <p>4 Q. And how long was it before you went in?</p> <p>5 A. I'm sorry. He does have concerns. His concern is</p> <p>6 the -- this, and what would happen once -- what</p> <p>7 would happen if he has to stop hormones.</p> <p>8 Q. I'm sorry. What is the "this" you're referring to?</p> <p>9 A. The state laws --</p> <p>10 Q. Okay.</p> <p>11 A. -- to know what's going to happen if this goes into</p> <p>12 effect, is he going to have to stop his progress.</p> <p>13 Q. And then you went into the appointment second,</p> <p>14 right?</p> <p>15 A. (Nods head.)</p> <p>16 Q. What were your concerns?</p> <p>17 A. My concerns were that I had noticed that he was</p> <p>18 getting really sleepy again.</p> <p>19 Q. And what was said about that concern?</p> <p>20 A. So I said -- I asked Dr. Bast if there was a way</p> <p>21 that we can add -- to check his vitamins, to make</p> <p>22 sure that his vitamin levels were good.</p> <p>23 Q. And was that checked?</p> <p>24 A. Yes.</p> <p>25 Q. Other than the vitamin tests and I think you</p>	<p style="text-align: right;">Page 75</p> <p>1 much about it.</p> <p>2 Q. Okay. Do you know how you know about them?</p> <p>3 A. Because I have seen it here with patients.</p> <p>4 Q. Okay. Are any gender reassignment surgeries being</p> <p>5 considered for M.R.?</p> <p>6 A. We have talked about it.</p> <p>7 Q. Who has talked about it?</p> <p>8 A. Me and M.R. have talked about it.</p> <p>9 Q. What has been said about that?</p> <p>10 A. He expressed that he wanted to not show his breasts</p> <p>11 as much because that will help him feel more and</p> <p>12 look more male. And, then, so we talked about</p> <p>13 binding, and, then, so we ordered a binder for him.</p> <p>14 And, recently, we just talked about he wants</p> <p>15 to do top surgery, and we talked about it. And I</p> <p>16 said that I would like for him to wait until he's</p> <p>17 18 to make the decision on his own.</p> <p>18 Q. Okay. Is M.R. okay with that?</p> <p>19 A. Yes.</p> <p>20 Q. So you don't have any plans to do top surgery</p> <p>21 before age 18?</p> <p>22 A. No. We don't have any plans, no.</p> <p>23 Q. Why do you want M.R. to make the decision on his</p> <p>24 own about that?</p> <p>25 A. I just feel like that's a really big personal</p>
<p style="text-align: right;">Page 74</p> <p>1 mentioned some initial labs, have any other tests</p> <p>2 been run on M.R.?</p> <p>3 A. Like, actual physical tests?</p> <p>4 Q. Let's start there.</p> <p>5 Have there been any sort of physical labs run</p> <p>6 on M.R. since seeing Dr. Bast?</p> <p>7 A. The first initial lab and then the last one that we</p> <p>8 just did right now a week ago, yeah.</p> <p>9 Q. Aside from labs, have there been any other tests</p> <p>10 ordered?</p> <p>11 A. No.</p> <p>12 Q. Has M.R. ever been tested for autism?</p> <p>13 A. No.</p> <p>14 Q. Are you familiar with gender reassignment</p> <p>15 surgeries?</p> <p>16 A. Yes.</p> <p>17 Q. What do you know about them?</p> <p>18 A. I just know that if you want to have surgery to</p> <p>19 remove certain portions of your body, you can, if</p> <p>20 you would like, with the -- like, with therapy,</p> <p>21 counseling, and then deciding if that's appropriate</p> <p>22 for you or not.</p> <p>23 Q. How are you aware of those surgeries?</p> <p>24 A. I don't know much about it. I just know that there</p> <p>25 is options out there to do that, but I don't know</p>	<p style="text-align: right;">Page 76</p> <p>1 decision for him. And I feel like when he has the</p> <p>2 legal age and he's a little bit more mature, he can</p> <p>3 think about that more.</p> <p>4 And that would just be a decision that he will</p> <p>5 make and something -- yeah. I don't want to make</p> <p>6 that decision for him. I want him to make that</p> <p>7 decision for himself.</p> <p>8 Q. Okay.</p> <p>9 A. I should word it, I don't want to -- I want to help</p> <p>10 him make that decision, but I don't want to be a --</p> <p>11 how do I word that? I'm so sorry. I just want him</p> <p>12 to do whatever is best for him regarding surgeries.</p> <p>13 Q. Okay. I think I understand.</p> <p>14 A. Yeah. I'm going to be a part of him, and I'm going</p> <p>15 to help him and talk to him and be there for him.</p> <p>16 But for a surgery, I feel like he should make that</p> <p>17 decision, and I will just --</p> <p>18 Q. So you want him to be the ultimate decision-maker?</p> <p>19 A. Yes. I want him to be, like, hey, this is what I</p> <p>20 want and -- yeah.</p> <p>21 Q. So I think you said that M.R. has been taking HRT</p> <p>22 as well as some drugs for depression; is that</p> <p>23 right?</p> <p>24 A. He's not taking the depression medication right</p> <p>25 now. He's only doing HRT, ADHD [sic] medications,</p>

Page 77	Page 79
<p>1 and as needed for anxiety.</p> <p>2 Q. When did M.R. stop taking the depression</p> <p>3 medication?</p> <p>4 A. About a week ago, a week ago.</p> <p>5 Q. And I think you said that you're getting a</p> <p>6 different depression medication; is that right?</p> <p>7 A. Yeah. We had gotten a different depression</p> <p>8 medication, and, then, so he did start it for a</p> <p>9 little bit. But then he just -- he was, like, I</p> <p>10 don't need it. He didn't feel like he needed it.</p> <p>11 Q. And I think you said Dr. Bast thinks M.R. should</p> <p>12 continue taking that medication?</p> <p>13 A. Yes, because it's not -- it's not appropriate to</p> <p>14 just suddenly stop a medication.</p> <p>15 Q. Okay.</p> <p>16 A. So the suggestion was to wean off of it.</p> <p>17 Q. Have you talked with Dr. Bast about possible</p> <p>18 interactions between the different medications M.R.</p> <p>19 is taking?</p> <p>20 A. No.</p> <p>21 Q. Did Dr. Bast say anything about possible</p> <p>22 interactions?</p> <p>23 A. No. It didn't come up.</p> <p>24 Q. And I think you said M.R. is continuing to see</p> <p>25 Kevin -- I forget his last name, the therapist.</p>	<p>1 Q. Okay.</p> <p>2 A. My husband was not there for the first appointment.</p> <p>3 It was for the second appointment.</p> <p>4 Q. Okay. So that was your husband's first time</p> <p>5 interacting with Dr. Bast?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. And so that's when your husband raised the</p> <p>8 questions about fertility?</p> <p>9 A. Yes.</p> <p>10 Q. Do you remember if anyone raised questions about</p> <p>11 fertility at the first appointment?</p> <p>12 A. It came up -- it came up. But I don't -- it came</p> <p>13 up, and Dr. Bast asked how did we feel about, like,</p> <p>14 having, like, babies and stuff later on in the</p> <p>15 future.</p> <p>16 And then that's when M.R. was, like, I don't</p> <p>17 want to have babies, so it doesn't really -- but</p> <p>18 yeah, I mean, that came up as in being one of the</p> <p>19 side effects for it, not being able to carry or --</p> <p>20 things that we don't know about fertility, we don't</p> <p>21 know much about that yet.</p> <p>22 Q. Was anything mentioned about fertility</p> <p>23 preservation?</p> <p>24 A. Yes.</p> <p>25 Q. What was said about that?</p>
Page 78	Page 80
<p>1 What's the therapist's name?</p> <p>2 A. It's Kevin Moore.</p> <p>3 Q. Kevin Moore. Is M.R. continuing to see Kevin</p> <p>4 Moore?</p> <p>5 A. He is not.</p> <p>6 Q. When did M.R. stop seeing Kevin Moore?</p> <p>7 A. I want to say end of March.</p> <p>8 Q. Why did M.R. stop?</p> <p>9 A. He didn't feel like -- he felt like he had enough</p> <p>10 support. He felt like he was really good, feeling</p> <p>11 about himself, and just felt like therapy didn't --</p> <p>12 it was not necessary anymore for him.</p> <p>13 Q. Do you know whether the therapist suggested</p> <p>14 continuing sessions?</p> <p>15 A. Kevin Moore just said, well, I'm here for you</p> <p>16 whenever you need me.</p> <p>17 Q. Okay. Do you know whether Dr. Bast thinks that</p> <p>18 M.R. should continue sessions?</p> <p>19 A. I don't know.</p> <p>20 Q. Well, I guess the only other question I have is,</p> <p>21 you know, we've asked a lot of questions today.</p> <p>22 Are there any answers that you think you need</p> <p>23 to go back and correct right now?</p> <p>24 A. Yes. So I want to make a correction on the first</p> <p>25 appointment.</p>	<p>1 A. That if we -- if we wanted to, there is -- that you</p> <p>2 can save, like, freeze your eggs or the sperm, and</p> <p>3 if we wanted to have a place to go to, we can look</p> <p>4 into it.</p> <p>5 Q. Have you looked into that?</p> <p>6 A. No. Between my husband and I and M.R. decided that</p> <p>7 it was not something that we wanted for him.</p> <p>8 Q. Why is that?</p> <p>9 A. Because based on how he really doesn't want to have</p> <p>10 kids.</p> <p>11 Q. Any other answers you need to go back and correct?</p> <p>12 A. Not that I can think of right now. If I do, can I</p> <p>13 go back after this?</p> <p>14 MR. FALK: We'll talk if you do.</p> <p>15 THE WITNESS: Okay.</p> <p>16 MR. BARTA: All right. I think those are all</p> <p>17 my questions. Thank you.</p> <p>18 MR. FALK: Okay. Can we just take a</p> <p>19 ten-minute break?</p> <p>20 MR. BARTA: Sure.</p> <p>21 MR. FALK: Thanks.</p> <p>22 (A recess was taken between 11:33 a.m. and</p> <p>23 11:42 a.m.)</p> <p>24</p> <p>25</p>

<p>1 EXAMINATION</p> <p>2 BY MR. FALK:</p> <p>3 Q. I got a little confused with the medication</p> <p>4 progression.</p> <p>5 Dr. Bast has now prescribed an additional</p> <p>6 antidepressant for your son, correct?</p> <p>7 A. Correct.</p> <p>8 Q. And how long has he been prescribed that?</p> <p>9 A. A few weeks.</p> <p>10 Q. And that was the one that he was on his own?</p> <p>11 Perhaps not taking?</p> <p>12 A. Correct.</p> <p>13 Q. And what did Dr. Bast say about him not taking his</p> <p>14 meds?</p> <p>15 A. That it was not okay to stop medication so</p> <p>16 suddenly.</p> <p>17 Q. Okay. So to the best of your knowledge, he is</p> <p>18 still supposed to be taking them; is that correct?</p> <p>19 A. He's supposed to wean off of it.</p> <p>20 Q. Okay. And we've talked a lot about his cutting</p> <p>21 behavior and depression and the school behavior</p> <p>22 that all landed him in the hospital.</p> <p>23 Do you remember those discussions?</p> <p>24 A. Yes.</p> <p>25 Q. And looking at the situation now, do you believe</p>	<p>1 UNITED STATES DISTRICT COURT</p> <p>2 SOUTHERN DISTRICT OF INDIANA</p> <p>3 INDIANAPOLIS DIVISION</p> <p>4 CAUSE NO. 1:23-cv-00595-JPH-KMB</p> <p>5 K.C., et al.,)</p> <p>6 Plaintiffs,)</p> <p>7 -v-)</p> <p>8 THE INDIVIDUAL MEMBERS OF)</p> <p>9 THE MEDICAL LICENSING BOARD)</p> <p>10 OF INDIANA, in their)</p> <p>11 official capacities, et)</p> <p>12 al.,)</p> <p>13 Defendants.)</p> <p>14 I, MARIA RIVERA, state that I have read the</p> <p>15 foregoing transcript of the testimony given by me</p> <p>16 at my deposition on May 25, 2023, and that said</p> <p>17 transcript constitutes a true and correct record of</p> <p>18 the testimony given by me at said deposition except</p> <p>19 as I have so indicated on the errata sheets</p> <p>20 provided herein.</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p> <p>MARIA RIVERA</p> <p>STEWART RICHARDSON & ASSOCIATES</p> <p>Registered Professional Reporters</p> <p>One Indiana Square, Suite 2425</p> <p>Indianapolis, IN 46204</p> <p>(800) 869-0873</p>

<p>1 all of that was directly related to his gender</p> <p>2 dysphoria?</p> <p>3 A. Yes.</p> <p>4 Q. Why is that?</p> <p>5 A. Because he's gotten better now.</p> <p>6 Q. And Mr. Barta asked you how he was doing now with</p> <p>7 the hormones. And I think you talked about how he</p> <p>8 did in the first couple weeks.</p> <p>9 Has he continued to do better?</p> <p>10 A. Yes.</p> <p>11 Q. And what does that mean to you, to do better?</p> <p>12 A. Doing better, he's just more outgoing, talks more</p> <p>13 to people, has way more friends now. He's more</p> <p>14 bubbly, more outgoing, listening to Mom and Dad.</p> <p>15 He's doing his chores, doing everything he can to</p> <p>16 do okay in school, and is being more present during</p> <p>17 the school year. Yeah.</p> <p>18 MR. FALK: Just one second, James, if that's</p> <p>19 okay.</p> <p>20 I don't think I have any further questions.</p> <p>21 MR. BARTA: No further questions here.</p> <p>22 MR.
